

Tournament Sites

➤ **Tournament Sites.** More than 600 teams are expected to participate in the 2008 National Championship. To accommodate more than 1600 games in 4 days of play, PrimeTime Sports has secured more than 50 courts for the tournament. To help teams with their planning (including lodging selection), we assign the different divisions to groupings of gyms which are located in close proximity (referred to as “Pods”). **Below is a table with Pod assignments for each division.**

Division assignments to specific gyms within the Pod will not occur until schedules are prepared. Division assignments and facilities are subject to change up to when schedules are finalized. Maps & Directions for all sites are posted at www.primetimesportz.com

If a Division is moved to a different Gym Pod, Hudson Travel Group, the National Championship Travel Partner, will assist in transferring reservations to another hotel in the Gym Pod area if a team desires and time allows, subject to room availability. Rooms have been blocked for each gym pod. Additional information regarding how to make your room reservations is detailed in the *Lodging* section which immediately follows.

Coaches and fans are encouraged to learn the routes to and from each of their sites, allow adequate travel time and report to their game site at least 45 minutes prior to scheduled game time. Following these simple steps will assist in keeping games on time and avoid forfeits due to a team’s failure to arrive on time.
